

SAVE OUR COAST

"The Tufted Puffin" by Carey Floyd

Washington Coast Cleanup **APRIL 17, 2010**

MARINE DEBRIS KILLS.

Household plastics, garbage, and other manmade debris is polluting our ocean, killing our marine wildlife, and spoiling our beaches.

Join the Washington Coast Cleanup and help save our coast. It's great exercise and fun for the whole family.

No special skills or abilities required. Sign up for your favorite beach today!
